

Irish Australian
Chamber of Commerce

Following on from our successful European Women in Business events, we will now offer diverse monthly events initiated by Janine Lum and beginning with a "Master Cooking Class"

Tues 21st, Wed. 22nd & Tues. 28th February 2012

6-9pm

We look forward to welcoming you to the first event for 2012.

Swiss made V-Zug premium home appliances are at the forefront of the industry. Offering not only state of the art easy to operate cooking appliances, also front load washing machines that not only wash your clothes perfectly, wrinkle free and eliminate ironing with their unique steaming dry clean function (every woman's dream)! Originating in 1913 V-Zug has evolved into a major high-tech company that you must experience to believe.

Join us at the V-Zug showroom for an exclusive master-class on 'How to cook a healthy meal' with renowned chef Sally Lukey. This is a fabulous way to network with other like-minded ladies where you will be able to prepare a number of delectable dishes to make your life easier. As well as showcasing all the appliances in action, with a full briefing on how to operate the appliances, the event is rounded off with a sit down meal, glass of wine and an opportunity to ask questions and network.

Places are limited to only 10, please book in advance to avoid disappointment.

Location: V-Zug Australia 39 Park Street, South Melbourne.
Parking available on the street, also easily accessible by tram.
